Fixed-Wing Powered Aero Loader[®]

**TRUE INTEROPERABILITY
BETWEEN FIXED-WING, ROTARY-
WING AND ROAD BASED ASSETS
CAN FINALLY BE ACHIEVED.**

A WORLD-FIRST, PATENT-PENDING INNOVATION

The benefits of seamless air and road ambulance transfer have been well documented in problem definition articles. However, this represents the first opportunity in the fixed-wing industry to achieve such an interoperable service that places patient and crew safety as the highest priority.
